

Hound

The perfect PR solution for SMEs looking to raise their profile

We recommend an introductory meeting to discuss your objectives and gather the information required to carry out an effective PR and media relations campaign.

The Hound package includes:

- Creating a tailor made media database
- Writing and disseminating press releases
- Targeting our contacts within the relevant media
- Proactively seeking opportunities for stories and company profiles
- Inclusion in online media image library
- Comprehensive in-house press cuttings service
- Regular meetings to be updated with news and developments
